Catering & Kitchen Hire

Our wedding packages include exclusive venue hire, giving you the flexibility to choose a caterer that aligns with your vision for the day.

To support your catering team, we offer access to our onsite commercial kitchen, fully equipped with commercial-grade appliances and facilities.

We can provide details of caterers who have previously worked at the venue if required; however, all catering arrangements are to be organised directly with your chosen provider.

Kitchen hire is \$300 per day. An additional refundable bond of \$200 applies. The bond will be returned once the kitchen has been cleaned and left in its original condition. The chosen catering company is responsible for the setting and clearing of all tables including the crockery and cutlery.

The kitchen hire fee may be paid by either the caterer or the wedding party, depending on your arrangements.
